

# DVD Abstracts of the 132<sup>nd</sup> Annual Meeting of the Pharmaceutical Society of Japan

## 1. Installation

**Operating Systems:** Windows XP/Vista/7, Mac OS X 10.5/10.6/10.7

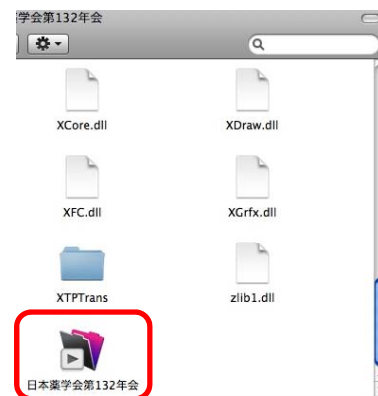

The program cannot be run directly from the DVD. It must be installed on a hard disk with at least 1GB free space

Windows Vista version

Windows XP version

Mac OS X version

You may want to make a shortcut on your desktop to the executable file

The Windows version will ask you to enter a user name. This can be left blank

## 2. Main page

View timetable

Return to main page

Search by title keyword, lecturer and affiliation

Display and print titles and abstracts you have selected

Close button (items selected are saved automatically)

Tabs for categories

Link to conference homepage (internet connection required)

Hint for Windows users

Click to view full screen

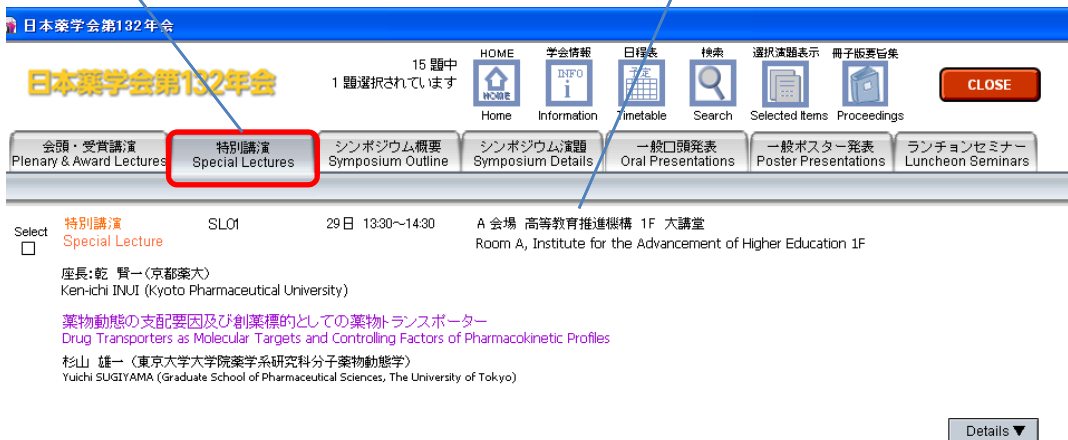

### 3. Selecting from list

- Click on category tabs to see all presentation titles
- Select titles from list by clicking **Select** box
- Checkbox information is saved on your computer

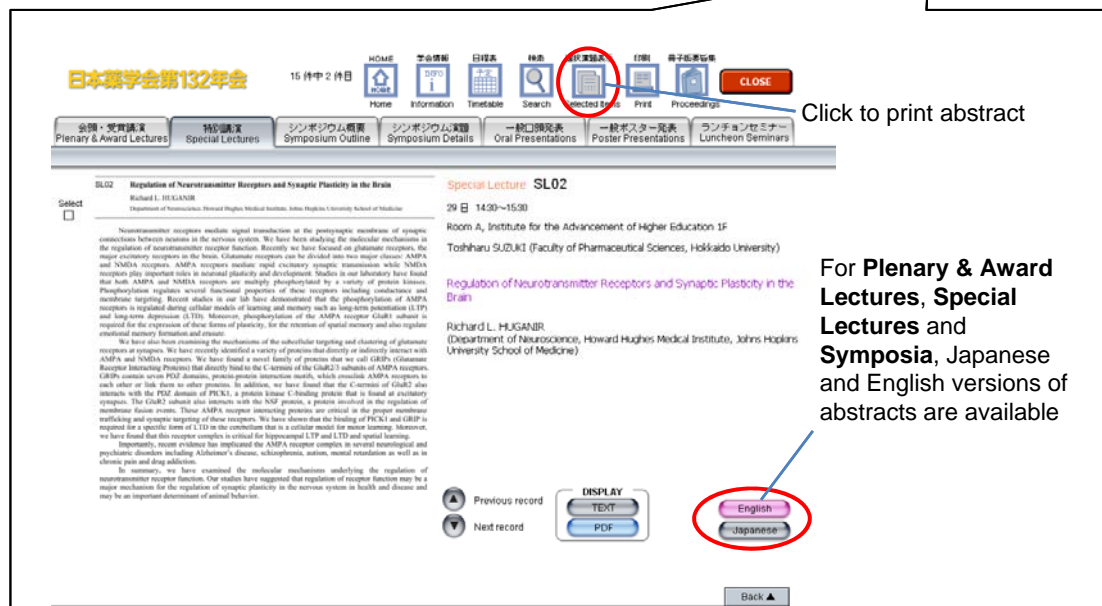

Click to view **Special Lectures**

Information on date, time, location, title, etc.

Click on **Details**  
To view abstract

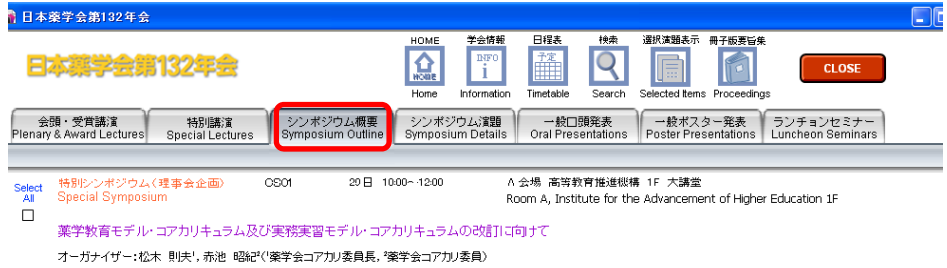

- Click **Select** box to select information to be displayed and saved
- Clicking again deselects box

Click to print abstract

For **Plenary & Award Lectures, Special Lectures and Symposia**, Japanese and English versions of abstracts are available

**Listing of:**  
Plenary Lecture,  
17 Award Lectures,  
15 Special Lectures,  
56 Symposia

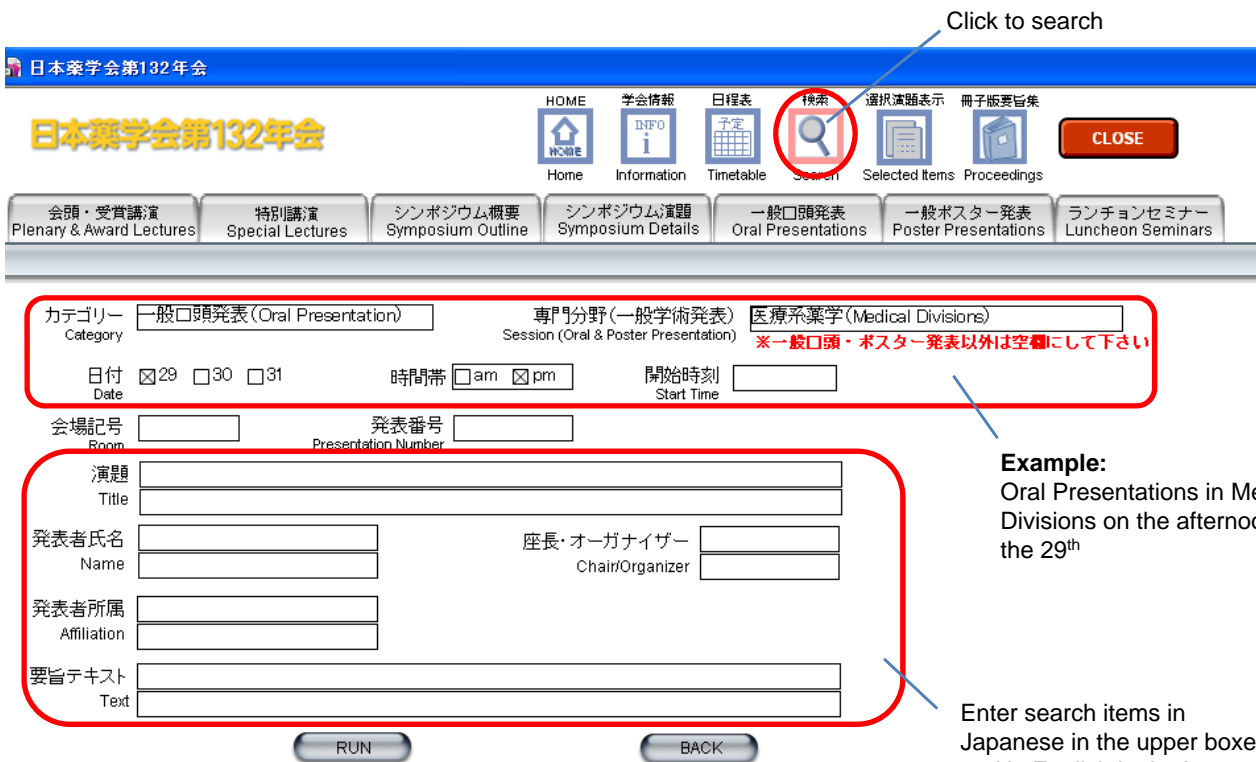

In the **Symposium Names** tab, click the **Select All** box to include all titles in a symposium. The **Symposium Details** tab then opens automatically to show all titles for that symposium

Click on **Contents** to view symposium titles

#### 4. Full-Text Search

- The DVD's search engine has full-text functionality similar to Google
- Keyword searching allows refined searches of lectures and presentations

Click to search

**Example:**  
Oral Presentations in Medical Divisions on the afternoon of the 29<sup>th</sup>

Enter search items in Japanese in the upper boxes and in English in the lower boxes

Click on **Run** button after inputting information

#### Search Hints

- ✓ Several words can be entered in a search box for a more refined search
- ✓ There is no autofill form function, so search terms must be reentered each time
