

OS33-4 **Education and workforce development**

○ William N. CHARMAN^{1,2}

¹Monash Univ., Faculty Pharm. and Pharm. Sci., ²FIP Education Executive Committee

There can be no healthcare without a properly qualified healthcare workforce. At the FIP education conference held in Nanjing in November 2016, a global vision and goals to transform pharmaceutical workforce around the world was discussed and agreed. This presentation will outline these outcomes, the next steps, and the means for FIP Member Organisations to engage and contribute.
