4) Guidelines for Poster Presentations

< Short Oral Presentation >

- You will be asked to make a short presentation (strictly 2 minutes).

Session Room: Room B "Tachibana Conference Hall", 2nd floor of Conference Building

Presentation Time: 14:20-16:00

- Please bring your power point file in a USB memory to the speakers' desk until 13:00 on the day of your presentation, and make sure to check the presentation data. A Windows PC (with Windows 7, PowerPoint 2007, 2010, 2013, 2016) is only available.

- The speakers' desk will be placed in the foyer, 2nd floor of Conference Building.

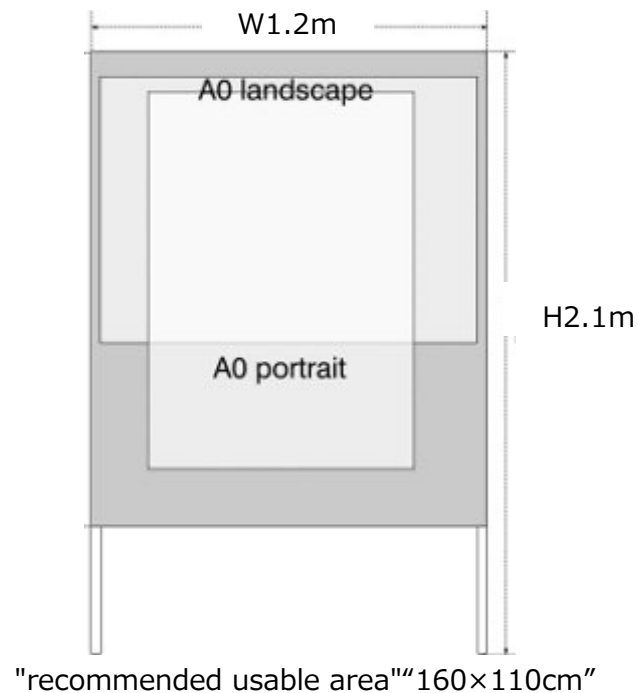

< Poster Presentation >

- Poster session room is located in Room G "Meeting Room 4" and the foyer, 2nd floor of Conference Building. Abstracts scheduled for presentation in poster session will appear in the Symposium Program. Please refer to the table below for setup, tear down, and presentation times for posters:

Set-Up	8:30-9:00 11:45-13:15
Discussion Time	16:00-17:40 Odd Number: 16:00-16:50 Even Number: 16:50-17:40
Tear Down	17:40-18:00

- Each poster board is labeled with a number and check your poster number.

The poster board surface area is 2.1 m high by 1.2 m wide. Each poster should indicate the title of presentation, name of authors and affiliations. Text should be printed in a font large enough to be read comfortably from a distance of 4-5 feet (1.5m).

- Posters should be displayed on the boards using pushpins that will be available at the Poster Session room. No other adhesive method is permitted on the boards.
