The Pharmaceutical Society of Japan (PSJ) and Deutsche Pharmazeutische Gesellschaft e.V. (DPhG) concluded an academic exchange agreement in 2000, based on which their representatives visited their annual meetings alternately every other year. 2018 is the year for PSJ to invite the representatives of DPhG. Profs. Andreas Link (Vice-president, DPhG) and Thorsten Lehr (Congress chair of the 2017 annual meeting of DPhG) represent DPhG and give their lectures.
